How to Whiz®

1. Lower or move underwear to one side. Hold the Whiz snugly against your body with shield upwards (see diagram above).
2. The Whiz is the only soft and flexible urine director. For your comfort it will mould to fit the female form.
3. Aim director and urinate normally. Face downwind!
4. When finished, simply flick to dry. The Whiz is the only truly hydrophobic, liquid repellent, urine director.
5. Easy to fold and store. Place your Whiz in the re-sealable bag provided or a Whiz accessory bag.

The Whiz is hygienic. The material contains a special anti-bacterial agent

The Whiz is re-useable and hand or machine washable (up to 40°C). Remember, urine is sterile.
