

Toast not included
 Is it just us or does this 'Blow Me' inflatable leather chair, £1,210, look kind of like a giant baked bean? Designer Jay Townsend of Bakebean - who else? - describes the style as urban minimalism, but we prefer to think of it as saucy. Just don't accessorise with a whoopee cushion, OK? The 'Blow Me' chair is on display at design fair Pulse (www.pulse-london.com) from 22-25 May. For stockists, call 01920-871381.

Don't forget your kitten heels

The festival season is upon us again. Ensure your weekend isn't totally uncivilised with these:

- 1 If it all gets too much, Glastonbury has a silent disco where you can set the music volume on specially provided headphones. If not, use Etymotic's rock 'n' roll ear plugs, £13.95 (www.musicshipping.co.uk).
- 2 Catch a model scout's eye at Homelands in Louis Vuitton shades, £560, designed by bling king Pharrell Williams.
- 3 The Isle of Wight festival may have a powder but, if you're not so you could use The Whiz from £7.99 (www.whiz.com) - a plastic funnel, well, you can work it out.
- 4 Ditch the backpack and take your special-edition 100th anniversary Gola bag, £100 (www.golaclassics.com), when you go out dancing.
- 5 Ward off the elements in style in Tamara Henriques' kitten-heeled wellies, £75 (www.tamarahenriques.com).

KATE'S DATES

With Kate Moss's relationship with Pete Doherty suffering more dips than a bag of Doritos, we line up the other indie contenders

Sam Endicott

Sulky 26-year-old singer with The Bravery.

ROCK STYLE Arty electro with heaps of angst.

MARITAL STATUS Single, following a series of intense, long-term relationships. Says he finds groupies stupid and unattractive.

BAD BOY REP Mean and moody. Also claims to have smoked a TV (the transistor bit, apparently) to see how 'high' he could get.

KATE/DATE LIKELIHOOD According to the tabloids, Kate tried to chat him up at one of their gigs in February, but he played it cool. For now.

Tom Meighan

Laddish 24-year-old Kasabian frontman.

ROCK STYLE Groovemungous, Northern rock-dance band in the mode of Oasis, Happy Mondays and Stone Roses.

MARITAL STATUS Single and very popular with the lady fans, apparently.

BAD BOY REP Swears, drinks, does the Liam 'monkey walk' and shouts, 'Let's have you!' a lot. Yup, he's a bad lad.

KATE/DATE LIKELIHOOD Kate was allegedly spotted trying to hang out with the fellas at last year's Glasto. That, and Tom's Daniel Craig-style craggy looks, make this a match made in, erm, a muddy field.

Johnny Borrell

Volatile 25-year-old singer with Razorlight.

ROCK STYLE Ambitious, punky rock'n'roll with an intense, arty edge.

MARITAL STATUS Adored by girls and boys alike. Has a semi-casual squeeze, according to insiders.

BAD BOY REP Johnny is clean-living, but prone to psychotic interludes - so he's more mad than bad.

KATE/DATE LIKELIHOOD Johnny's never met Kate, but he did date Mairead of Queens of Noize, who also went out with Kate's on/off lover Pete Doherty so there's a chance they
